Objectives of Event: -

The primary objective of the Investors Summit 2024, organized by DST TEC PDEU, Gandhinagar, was to foster interactions between potential investors and innovative ventures. The summit aimed to create a platform for showcasing groundbreaking ideas, technologies, and products, thereby attracting investments for their growth and development.

Event Details:-

Aarohant Ayurvedic Medical College and Research Institute actively participated in the Investors Summit 2024 on August 1, 2024. A significant delegation of 150 students and 7 faculty members represented the institute at the event. The institute set up a stall to showcase a range of cosmetic products and Ayurvedic medicines, providing an opportunity to introduce the institute's research and product development capabilities to potential investors and industry stakeholders.

Significance –

Investment Opportunities: By presenting cosmetic products and Ayurvedic medicines, the institute aimed to attract investments for further research, product development, and scaling up production.

Student Exposure: The participation of 150 students offered invaluable exposure to the entrepreneurial ecosystem, enabling them to understand the investment landscape and the process of commercializing research.
